

## Automatic Transmission Service Agreement

I, \_\_\_\_\_ AUTHORIZE **COMPANY NAME**  
(PRINT NAME)  
TO PERFORM A TRANSMISSION FLUID EXCHANGE ON THIS \_\_\_\_\_ YEAR  
\_\_\_\_\_  
(MAKE) (MODEL) ODOMETER READING \_\_\_\_\_

**COMPANY NAME** is only responsible for the installation of product and workmanship. **COMPANY NAME** does not make any type of repair or adjustments to any components associated with the automatic transmission. The service that is being provided by **COMPANY NAME** is a fluid exchange only. **COMPANY NAME** assumes no responsibility implied or other wise, for any type of pre-existing transmission problem or failure of any kind. **COMPANY NAME** is not responsible for electronic component or mechanical parts failure due to neglect or failure on the consumer's behalf to service the transmission at the vehicle manufacturer's recommended transmission service intervals. Any and all pre-existing transmission damage or conditions, known or unknown that could further develop as the result of improper maintenance, neglect or wear are in no way to be considered the liability or responsibility **COMPANY NAME**.

**THIS DOCUMENT WAS CREATED FOR THE MUTUAL BENEFIT OF BOTH THE CONSUMER AND COMPANY NAME, IN EFFORTS TO PREVENT ANY AND ALL COMMUNICATION ERROR'S.**

**COMPANY NAME** will perform a visual inspection of the automatic transmission and related components prior to performing the transmission fluid exchange service. Should signs of potential pre-existing transmission problems be evident such as, low transmission fluid levels, low or contaminated coolant levels, transmission leaks, coolant system leaks, dark or heavily discolored automatic transmission fluid are found. The consumer will be notified of these pre-existing conditions prior to the transmission fluid exchange service being performed.
